**Financial Responsibility & Clinic Policies**

I acknowledge that it is the patient or responsible party's responsibility to know the insurance policies and see that they obtain any necessary referrals prior to the visit. They are responsible for any co-pays, deductibles, or any expense that their insurance does not cover. It is the patient or responsible party's responsibility to provide accurate and current insurance information prior to each visit, Senior Care Northwest cannot retroactively bill insurance for past service dates. For some patients Senior Care Northwest bills for chronic care management services which allows us to perform care plan maintenance outside of appointments. This is a Medicare service covered by insurance but may be subject to co-pays. You may opt out of this service at any time. A copy of the care plan is available upon request. If the patient resides in a care facility that we service and subsequently moves out they will need to establish care with a new PCP upon move out.

I certify that the information provided on this form is correct. I authorize the release of medical information needed to process claims and request direct payment to the provider for services rendered.
